

**Call for expression of interest in sale of phased-out office
monitors and PCs**

(CDT/CEI/02/2024)

Frequently asked questions (FAQs)

Question no. 1:

Is there any sort of Guarantee concerning the phased-out IT equipment sold with this procedure?

Answer no. 1:

No, the assets are sold by the Translation Centre “as is” without any kind of warranty whether express or implied.

The purchasers will have no recourse against the Translation Centre whatsoever.

Question no. 2:

Is it possible to ship the phased-out IT equipment which I will buy?

Answer no.2:

No, the beneficiaries will have to collect and to arrange for the packaging of the equipment purchased from the Translation Centre premises, at their sole risks and costs.

Question no. 3:

Would it be possible to know the specifications of the proposed screens and PCs?

Answer no. 3:

The 23 inch screens are:

- Dell P2311Hb
- Dell P2312HT
- Dell P2314HT

The 24 inch screens are Samsung S24C650PL

The 3 models of PCs are:

- HP PRODESK 600 G1 TWR
- HP PRODESK 600 G2 TWR
- HP ELITEDESK 800 G2

All information on technical specifications are to be found in Annex I and Annex II.

Question no. 4:

What software is installed on the PCs?

Answer no. 4:

A licensed version of Microsoft Windows 10 Professional (English) is installed on all PCs (You may change the Operating System language following this [link](#))

No Microsoft Office license nor any kind of other licensed software is installed and sold together with the PCs.

Question no. 5:

How and when will I know that my bid is successful?

Answer no. 5:

All participants will be informed in writing, by email of the result of the evaluation of the bid they sent.

Question no. 6:

Will I get connection cables with the screens I purchased?

Answer no. 6:

Yes, a power cable will be provided for each screen + one item of any other type of connection cable (HDMI, DVI, VGA, Display Port) when you come to collect the purchased items.

Question no. 7:

Will I get connection cables with the PCs I purchased?

Answer no. 7:

Yes, a power cable will be provided for each PC when you come to collect the purchased items.
