### A. GENERAL INTRODUCTION

The 2020 budget comprises:

- A. This general introduction;
- B. The Centre's revenue as laid down in Article 10(2) of Council Regulation (EC) No 2965/94, as last amended by Council Regulation (EC) No 1645/2003, in particular comprising payments made by the bodies for which the Centre works, and by the institutions and organs with which collaboration has been agreed in return for work performed by it, including interinstitutional activities;
- C. A breakdown of the Centre's expenditure by title; and
- D. A breakdown of the Centre's expenditure by activity. This part shows the link between the budget for 2020 and the work programme for 2020 by identifying the resources allocated to each activity in order to achieve the Centre's strategic objectives. It also sets out the conventional budget structure.

The 2020 budget reflects the estimates of revenue and expenditure, as included in the Centre's programming document 2020-2022 (Ref. CT/CA-002/2019/01). ## B. REVENUE

The total revenue forecast for 2020 is EUR 47.1 million, with EUR 44.1 million in Titles 1-4. The revenue forecast is broken down as follows:

Title	Revenue (EUR)
1. Agencies and bodies	42 772 000
3. Interinstitutional cooperation (European institutions)	664 600
4. Other revenue	624 750
5. Surplus carried over from the previous financial year and transfers from reserves from previous years	3 015 250

The Centre's forecast revenue is based on the estimates provided by its clients including the potential impact of savings per client calculated by the Centre. It must therefore be underlined that the estimated revenue is subject to change, depending on clients' actual needs and their budgets. On the basis of clients' forecasts, the estimate revenue for 2020 in Title 1 is EUR 42.8 million compared with EUR 40.8 million in the amending budget 2/2019 (4.9%). The forecast revenue for 2020 is EUR 3.2 million more (8.2%) than the actual revenue of EUR 39.5 million received from clients in 2018.

The Centre's biggest client, the EUIPO ('European Union Intellectual Property Office'), has forecast a revenue reduction of EUR 515 300 (-4.0%) for the translation of EU trade marks in 2020 (Item 1006) compared with the amending budget 2/2019. The forecast revenue for 2020 is EUR 2.5 million less (- 17.1%) than the actual revenue received for the translation of EU trade marks in 2018. In addition, the EUIPO's revenue forecast in 2020 for other services remains stable compared with the amending budget 2/2019 (Item 1005), and this is 23.5% lower (EUR 1.3 million) than the revenue received for other services in 2018. Their overall forecast for 2020 is 18.8% lower (EUR 3.8 million) than the total revenue received from the EUIPO in 2018.

Other significant changes that may be noted compared with the amending budget 2/2019 are decreases in forecasts by Chafea ('Consumers, Health, Agriculture and Food Executive Agency') by 41.4% (EUR - 327 000), ECHA ('European Chemicals Agency') by 11.9% (EUR -234 400), EFCA ('European Fisheries Control Agency') by 87.9% (EUR - 364 100), SRB ('Single Resolution Board') by 10.9% (EUR -110 100), European Commission (DG Empl) by 88.6% (EUR -1 273 400). Compared with the amending budget 2/2019, EMA ('European Medicines Agency') has increased its forecast by 11.3% (EUR 347 000), EFSA ('European Food Safety Authority') by 123.2% (EUR 194 700), Eurojust ('European Union Agency for Criminal Justice Cooperation') by 697.4% (EUR 946 400), Frontex

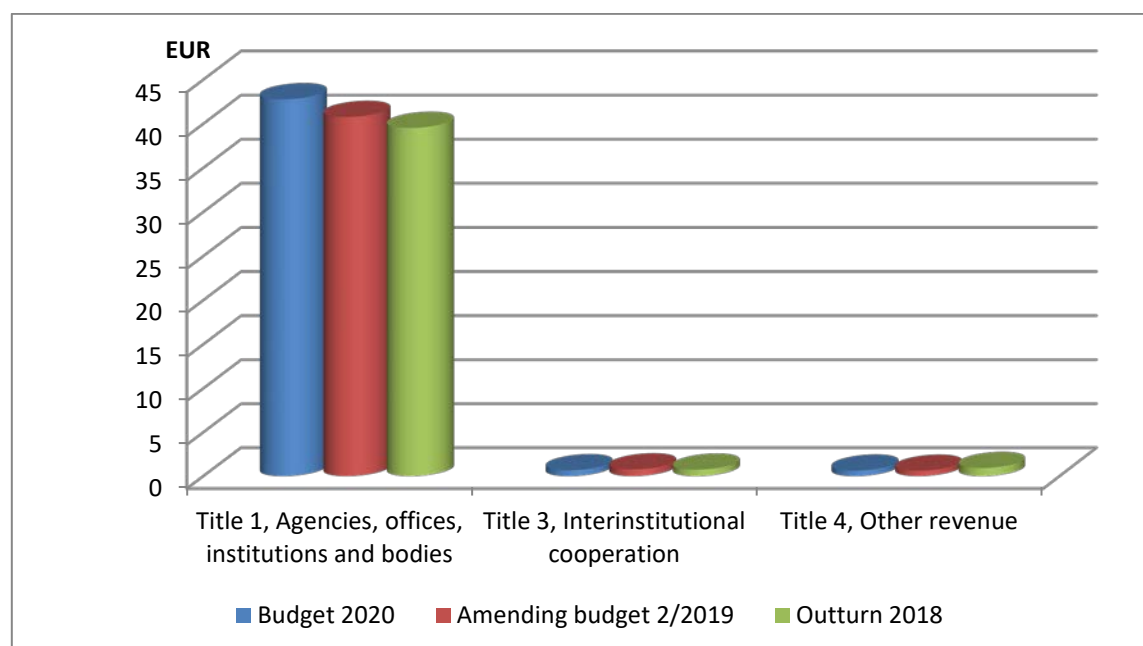

(‘European Border and Coast Guard Agency’) by 16.2% (EUR 133 900), EACEA (‘Education, Audiovisual and Culture Executive Agency’) by 16.2% (EUR 152 200), EASO (‘European Asylum Support Office’) by 18.6% (EUR 445 600), ESMA (‘European Securities and Markets Authority’) by 199.9% (EUR 305 300), and EDPS (European Data Protection Supervisor) by 136.4% (EUR 2.6 million). More detailed information on client forecasts and translation volumes is provided in Section D, ‘Activities’, and Part III, ‘Statement of revenue and expenditure - Details’.

The Centre signed an agreement with two new clients, EuroHPC (‘European High Performance Computing Joint Undertaking’), ELA (‘European Labour Authority’) in August and in September 2019 respectively and accordingly new budget items have been created in Title 1. In addition, a third new client DG GROW (‘Directorate-General Internal Market, Industry, Entrepreneurship and SMEs’) will be signed by the end of year 2019 and will be recorded in the budget item relating to the European Commission.

1060	European Labour Authority (ELA)	p.m.

The revenue in Title 3 corresponds to the revenue that the Centre receives in its capacity as manager of the IATE database (InterActive Terminology for Europe). The Centre’s expenditure for IATE is recorded in Expenditure (Chapter 31).

Figure 1. Revenue broken down by title and year: 2018-2020 (Titles 1, 3 and 4)

In addition to revenue from its clients and interinstitutional cooperation, the Centre forecasts additional revenue in Title 4, mainly comprising bank interest, revenue from subletting part of its rented office space to the Commission (‘Consumers, Health, Agriculture and Food Executive Agency’ (Chafea)), revenue from the hosting of data centre services for ERA (‘European Union Agency for Railways’) and a financial contribution from the Luxembourg Government towards the Centre’s office rental costs. The forecast for this revenue in 2020 is EUR 624 750 which is 2.6% higher than the amending budget 2/2019 and 32.8% lower than the 2018 outturn.

In order to balance the 2020 budget, the Centre has transferred to revenue EUR 2 826 950 from the 'Reserve for stability pricing', leaving an estimated balance of EUR 3 319 687 in the reserve at the end of 2020.

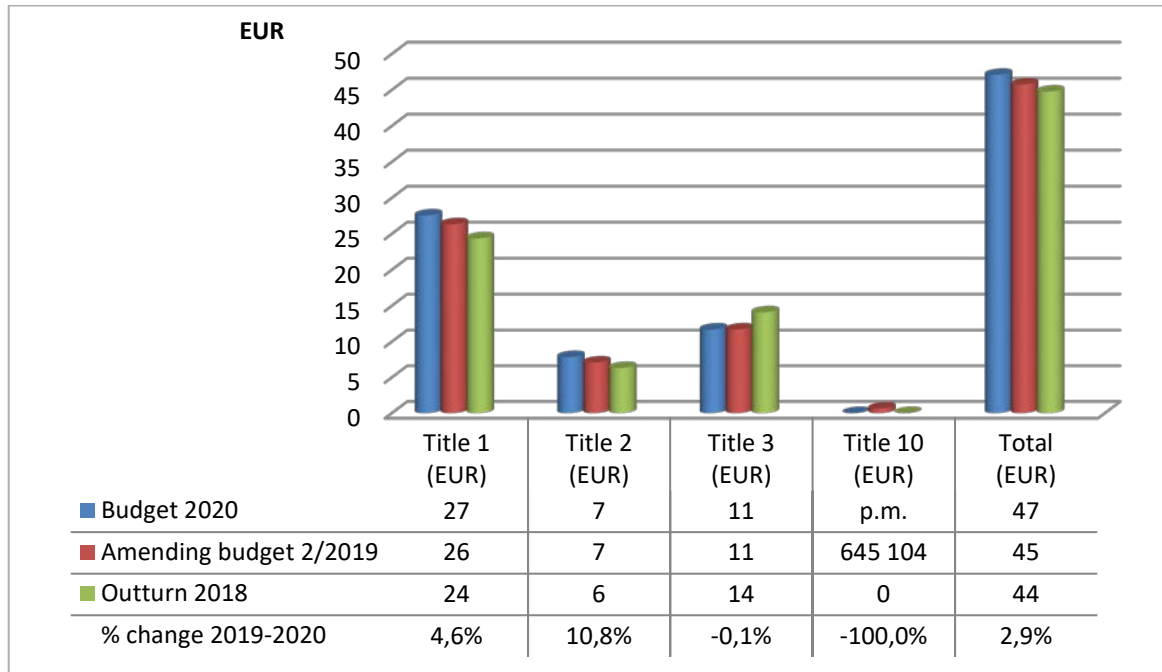

### C. EXPENDITURE

The Centre's forecast expenditure for 2020 is EUR 47.1 million. In Titles 1-3, the 2020 budget has increased by 4.4% compared with the amending budget 2/2019 budget and is 5.2% higher than the 2018 outturn. Firstly, this increase from 2018 to 2020 is due to the envisaged salary adjustments in 2019 and 2020 as well as other expenditure that is also subject to indexations, which are likely to lead to higher expenditure in 2020. Secondly, this increase from 2018 to 2020 is also due to the investment required by the Centre in order to implement the projects arising from the recommendations of the "Study on the Translation Centre as the linguistic shared service provider for the EU agencies and bodies". However, these increases in Titles 1 and 2 are partly compensated by the stabilisation of Title 3. The expenditure forecast is broken down as follows:

Title	Expenditure (EUR)
1. Staff	27 538 900
2. Buildings, equipment and miscellaneous operating expenditure	7 846 700
3. Operational Expenditure	11 691 500
10. Reserves	p.m.

In order to respond to the overall increase in staff costs, other index-linked costs and IT costs including the cost for the transformation plan, the Centre has taken several measures to reduce its budget expenditure. The main action has been to significantly reduce expenditure appropriations in the majority of budget items to cover only what is expected to be needed. This means that the Centre has reduced its margin to a minimum across key budget lines and its flexibility is therefore severely reduced. Higher salary indexations, price increases for the Commission's services, IT investment for the transformation plan or higher costs than forecast for the outsourcing of translation could therefore necessitate reprioritisations in the Centre's budget in order to avoid any new increase. All of this means that the Centre will have to do more with fewer resources and capitalise on an increased use of available translation technology. These measures have been chosen so that the envisaged impact on clients will be minimal. An overview of the expenditure by title, including a comparison with the amending budget 2/2019 and the outturn for 2018, is presented in the figure below.

Figure 2. Expenditure broken down by title and year: 2018-2020 (Titles 1, 2, 3 and 10)\*

\* Title 1: 'Staff'; Title 2: 'Buildings, equipment and miscellaneous operating expenditure'; Title 3: 'Operational expenditure'; and Title 10: 'Reserves'. The budget for Title 10 in 2020 is pro memoria (p.m.) and is shown as '0' in 2018.

### Title 1: STAFF

The budget for Title 1 in 2020 reaches EUR 27.5 million, 4.6% higher than the amending budget 2/2019 that is an increase of EUR 1.2 million. The Centre's budget provides for potential annual salary adjustments, estimated at 1.8% per annum, as well as biennial step advancements and promotions. The budget is based on an Establishment Plan of 193 posts which remains at the same level as that approved by the Budgetary Authority for 2019. The budget also takes into account factors such as the turnover ratio and work patterns of staff. All of the above leads to an increase of 3.4% (EUR 674 100) in Article 110, 'Staff in active employment' whereas the budget for contract staff (Item 1115) has been increased by 7.6% (EUR 107 800) in 2020 compared with the amending budget 2/2019. The budget for items 1420 has been increased by 104.5% due to the Centre's financial contribution to the European Schools. The full contribution is estimated at around EUR 360 000 and the Centre has agreed to contribute 50% of the costs in 2020.

### Title 2: BUILDINGS, EQUIPMENT AND MISCELLANEOUS OPERATING EXPENDITURE

The budget for Title 2, 'Buildings, equipment and miscellaneous operating expenditure', reaches EUR 7.8 million in 2020. It has increased by 10.8% compared with the amending budget 2/2019 budget. The main reason for the increase is due to IT investment linked to the implementation of the projects arising from the recommendations of the "Study on the Translation Centre as the linguistic shared service provider for the EU agencies and bodies".

The Centre receives a financial contribution from the Luxembourg Government towards its office rental costs. This financial contribution is recorded as revenue and does not affect expenditure in Title 2. It should also be underlined that the expenditure in Title 2 includes the expenditure for the hosting of a data centre for ERA ('European Union Agency for Railways') and for the office space that is sublet to

Chafea. In conformity with the principle of universality, the revenue received from ERA and Chafea is recorded as revenue, as opposed to offsetting the expenditure.

### Title 3: OPERATIONAL EXPENDITURE

The budget for Title 3, 'Operational expenditure', covers the outsourcing of translation services, technical services related to language services, interinstitutional cooperation, and the eCdT programme. It reaches EUR 11.7 million in 2020 and remains stable compared with the amending budget 2/2019. It is EUR 2.4 million lower than the 2018 outturn.

The budget for external translation services constitutes the main part of the title's budget, namely 92.1% in 2020. The actual cost of these services depends on a number of factors, such as changes in the ranking of suppliers under existing framework contracts and the prices agreed under future framework contracts which also depends on economic developments in the Member States. The budget for 2020 is EUR 10.8 million, which is in line with the forecast volumes as well as with the Centre's expectation that the investment in translation technologies will have a positive impact on the expenditure for external translation services. Clearly, real expenditure will depend on the actual demand from the Centre's clients and the potential impact of translation technologies on in-house translations and on the new framework contracts in the future.

Chapter 31 includes the Centre's expenditure for the management of the IATE database as well as the Centre's contribution to other interinstitutional tools which are managed by the Commission. The costs for these tools are governed by annual financial agreements between the parties acting in the framework of the Executive Committee for Translation of the Interinstitutional Committee for Translation and Interpretation (ICTI).

#### D. ACTIVITIES

The Centre's activities are defined under three activity areas in the 2020 budget, as set out in the Centre's programming document 2020-2022: 1) Core operational activities; 2) Support activities; and 3) Management and supervision activities. The previously existing fourth area of external outreach and communication activities, comprising client-oriented actions, is embedded into the management and supervision activities since 2018.

The human and financial resources for 2020 are allocated to the three activity areas, as shown in the table below. The financial resources included in Titles 1, 2 and 3 are either allocated directly or indirectly to the different services of the Centre. The indirect costs are allocated to our activities, and then consequently to our services, through the mechanisms of our Activity Based Budgeting (ABB) methodology. The details are set out in the Centre's programming document 2020-2022 (Ref. CT/CA-002/2019/01).

	% of human resources (staff)	% of financial resources	Financial resources
Core operational activities	63.4%	76.2%	35 891 755

The table below shows the total number of pages, terms and revenue forecast for 2020 by comparison with the 2019 budget. The table shows the 2020 forecasts provided by clients including the potential impact of savings arising from the pricing structure for the translation of documents per client calculated by the Centre. However, the 2019 forecasts provided by the clients may or may not have taken into account the impact of potential savings. More detailed information on client forecasts and translation volumes is provided in Part III, 'Statement of revenue and expenditure - Details'.
